WHERE IS USINA25?

The festival entrance USINA25 is located at NeiSchmelz, right next to the CCRD Opderschmelz.

Venue address: 1a Rue du Centenaire, L-3475 Dudelange

Please note that there will be no parking on site. Surrounding streets will be closed for public traffic. You have 3 options to get to USINA25:

Public Transport

We highly recommend using public transport as parking is limited in Dudelange & its surroundings. Public transport in Luxembourg is free throughout the whole country. Plan your trip with the Mobilitéits Zentral using 'Dudelange Centre' as your destination.

The TICE bus stop Dudelange Centre Culturel / CNA is within walking distance from the entrance. All other buses (CFL and shuttle) will directly stop at "Schnauzelach" in front of the CCRD/CNA.

Bike

There will be a bicycle parking area right opposite the CCRD Opderschmelz at the green space called "Schnauzelach". Please note that helmets may not be brought onto the festival site and thus must be attached to the bike.

Car

Should something hold you back from using public transport, there will be some options to arrive by car. The City of Dudelange made agreements for you to use the following car parks, all reachable via A13 Exit Dudelange-Burange: P&R Wolser B, LNS (Laboratoire National de Santé). Shuttle buses run on the hour and half the hour and will take you to the festival site and back: [Friday + Saturday schedule](#).

Food & Drinks

You will conveniently find a hand-picked selection of the best street food Luxembourg has to offer on-site. Drinks will be catered by bars & local associations.

PMR

USINA25 is mostly barrier-free and has good wheelchair access but please note that there are no dedicated concrete paths or streets. At the smaller stages, our safety personnel will help find a good spot for you to follow the show. There is also a dedicated parking area right next to the festival entrance (parking CCRD Opderschmelz / CNA).

Animals

In everybody's interest, pets are not allowed on the festival site.

Cameras

Without prior written authorization by record label, promoter or artist management, professional cameras are strictly prohibited on site. Video or audio recording devices are not allowed either and can be seized by artist tour- management or promoter. Please do not bring selfie sticks.
